Sage FAS Bar-Code Reader: Motorola® MC55

A durable and robust bar-code reader

The Motorola MC55 brings a new level of functionality and flexibility to pocket-sized mobile devices. As the smallest and lightest Motorola rugged Enterprise Digital Assistant (EDA), the MC55 packs the power of a bar-code scanner and mobile computer into a robust business-class device with true consumer styling and ergonomics—and is designed to meet the mobile worker, business application, and IT requirements.
