Sage FAS Barcode Reader: Unitech® PA500

A durable and robust barcode reader

The PA500 Compact Enterprise PDA is a powerful mobile computer with a 520MHz Intel PX270 processor. More rugged than your standard enterprise PDA, the PA500 withstands multiple 4-foot drops to concrete. The small and lightweight unit makes the Unitech PA500 the ideal choice for shop floor staff, restaurant order entry, retail inventory control, and healthcare applications. Data is easily captured via laser scanner or touch-screen keyboard. The PA500 Compact Enterprise PDA puts flexible, durable, and cost saving computing at the heart of your business and in the hands of your staff.
